Our Agenda for Today

Ok, here's the agenda for tonight. This will take about an hour & I promise you, you are going to have FUN & your face is going to feel AMAZING!

We'll start with some product, then we're going to play a quick game. You can earn tickets from this game and throughout the entire party, and I'm giving away free products to whoever has the most at the end! I love to play games because I want this to be FUN & interactive. Our hostess is going to re-ward you with TICKETS throughout our entire time together just for asking questions, making com-ments, laughing at my jokes...ha ha!

We will use more amazing skin care products and our hostess may get a few extra perks.

(THIS IS REALLY IMPORTANT) This is the first of two appointments you are entitled to as a Mary Kay customer, and you all have the option to book a 2nd appointment to get your customized look. SO we are going to play a little game. Here is a fun gift (a mini product or eye liner or some small product wrapped up cute). I will give it to our hostess and each time you hear me refer to the **2nd appointment**, pass the gift to the next person. Whoever ends up with it at the end gets to take it home, deal?

Okay so let's practice. "So today we are going to focus on skin care, but at your **2nd appointment** we can do more advanced glamour."

At the end, you'll step into my office (over there). I want to get your opinion of the products, answer any questions you have, and if you'd like to make a purchase, you can do it at that time.

HOW TO ACHIEVE A

Caring For Your Skin

There are **5 essential steps** to achieve a **Flawless Face**

- **Cleanse – Exfoliate – Freshen/Tone – Moisturize – Protect**
 - Who is already doing all 5 on a daily basis?
- Women who **do 5 steps age 75% slower** (Who doesn't want that?)
 - Just curious - Who doesn't wash their face every night?
 - Think about your car windshield (or glasses) & how dirty it gets in 1 day
 - That same stuff is coming in contact with your skin
 - If you don't wash at night, you're rolling around in it & wake up with all that dirt & grime still there (YUK right!)
- MK works with **natural process** of skin
 - Young skin regenerate 24-48 hrs
 - Mature = 120 days
 - Age 0- 20 = skin born with
 - 20+ = skin we work for

Did you know that only **20%** of visible signs of aging come from the **natural aging process**?

- The rest is caused by the **environment & lifestyle choices**
 - UV rays Air pollution/Smog/Car exhaust
 - Lack of sleep
 - Smoking

Skin Care Lines

Now we're going to give a brief overview of each of our five skin care lines and decide which you would like to try today.

Miracle Set

The Miracle Set is a re-imagined edition of our most popular age-fighting skin care set. It comes in both normal to dry and combination to oily formulas and is designed for women who are starting to see or who want to prevent the moderate signs of aging. I think of this like a good Chevy, Ford or Honda car. It's going to get you where you need to go and TONS of people drive them!

Timewise Repair Volu-firm Set

This is our advanced age fighting formula for those with more mature skin who would like to turn back time, or for those of us who are just a little more high maintenance. This is the Pink Cadillac of our Skin Care lines.

Clear Proof

We are so excited to offer a 4-step line that was specifically designed for acne-prone skin. It's Mary Kay's Proactive at a ¼ of the cost and the results we have seen in customers using it have been incredible!

Mary Kay Skin Care

This is our formula for anyone with very sensitive and/or for young women who don't need the anti-aging benefits of the Miracle Set or Repair yet but want to start using great skin care OR for women with sensitive skin. Going back to the car analogy, I think of this like the Prius or an electric car. It's young, trendy and it also comes in environmentally friendly packaging.

Naturally

Mary Kay Naturally, our first ever natural-certified skin care line. Nature is rich with skin-benefiting wonders. This was the inspiration for our Naturally line, where naturally derived ingredients meet exciting product forms. Effective, versatile products are right in step with your daily routine, and gentle formulas are suitable for sensitive skin.

Skin Analyzer App

Find out what your skin needs, and customize your routine with the Mary Kay Skin Analyzer App! It acts like a digital skin care assistant and scans your complexion to provide personalized Mary Kay skin care recommendations! During our individual consultation, I can guide you through your product recommendations.

- ⌘ GENTLY EXFOLIATES.
- ⌘ LEAVES SKIN LOOKING BRIGHTER.

Apply Cleanser

Pick up your cleanser with your fingers and massage it onto your cheeks, chin, nose and forehead. You will avoid your eyes. I will spritz some water into your fingertips.

- **Miracle Set: 4-n-1 Cleanser**

This cleanser comes in 2 formulas-one for normal to dry and one for combination to oily skin. There is a bar, too (**Try different one at 2nd appt**). Do you feel the beads in your cleanser? Those beads in this cleanser are doing 4 things all in one step! They are removing make up, cleansing, exfoliating and freshening your skin!

- **TW Repair: Volu-firm Cleanser**

Leaves skin feeling revitalized and hydrated. Scientifically proven to help support the skin barrier which can become compromised as skin ages.

- **Mary Kay Skin Care**

Gently prepare skin for the next steps in your routine with a hydrating cream cleanser or an oil-mattifying gel cleanser.

Hydration cream formula: It effectively removes impurities and oil and doesn't leave skin feeling stripped of necessary moisture.

Mattifying gel cleanser: It effectively removes impurities and excess oil to help reduce shine

- **Clear Proof**

Clarifying Cleansing Gel Deep cleanses skin to penetrate and clear pores with 2% salicylic acid.

Polishing TOUCH

Apply Charcoal Mask, Facial Peel, Microderm, or Exfoliating Scrub

Charcoal Mask

Triple-action charcoal mask acts like a magnet to deep-clean pores.

- **Activated Charcoal is so porous**, it absorbs twice its weight in toxins & impurities
- **Helps unclog pores**, taking skin beyond everyday clean
- **Complexion looks clearer** and healthier
- **Pores appear smaller** (Talk about Skinvigorate Brush while Charcoal Mask is on)

Facial Peel

This facial peel takes a multilayered approach to work wonders for your skin as soon as it's applied.

- The **glycolic acid** goes to work immediately, removing dead skin cells from skin's top surface layer.
- Once the layers of dead surface cells have been removed, your skin will be primed and ready to accept the benefits of other age-fighting treatments.
- Because we wanted the formula to be gentle enough to use twice a week, we paired the glycolic acid with an exclusive blend of **calming botanical extracts**.

Microdermabrasion Set

This set dramatically improves skin's texture and visibly transforms the look of skin, creating a flawless-looking complexion. With just one use, fine lines instantly appear less noticeable, and pores appear smaller.

- **Microdermabrasion Refine.** Its gentle exfoliation reduces the appearance of fine lines and immediately improves skin's texture as it removes surface dead skin cells and pore buildup, instantly revealing healthy-looking skin, leaving it feeling smooth and energized.
- Use it two to three times a week for beautifully polished skin.
- **Pore Minimizer** goes beyond skin texture to tighten the look of pores. With pores cleared of buildup and dead skin cells by Refine, Pore Minimizer works immediately to reduce their appearance. And the results get better over time.
- This nourishing serum instantly helps calm and comfort skin. , reducing the appearance of redness and soothe delicate skin.
- You'll also want to use it every day, twice a day, to improve the appearance of enlarged pores over time and see visibly smoother, flawless-looking skin.

Exfoliating Scrub

Polish away dead skin cells and unclog pores two or three times per week with a gentle pearlescent scrub that's for all skin types

- Smooths out fine lines and wrinkles and evens skin tone
- Moisturizing your skin for 12 hours.
- 2 formulas –Normal/Dry or Combo/Oily & without the sunscreen, if you prefer.

TW Repair Next Step: Lifting Serum

This is my favorite product in the Repair Set.

- Lifts and firms sagging skin
- Increases the production of collagen in the skin.
- Immediate changes in the firmness of the skin along the jawline and on the neck as well

Mary Kay Skin Care: Balancing Toner

Put toner on a cotton pad and wipe all over the face.

- Opens up pores
- Freshens the skin

Clear Proof Next Step: Blemish Control Toner

Put toner on a cotton pad. Many clients use this only in areas where they are breaking out or only once a day. You have to be VERY oily to use it twice a day, but it is fantastic for drying up acne and oil. You'll have to play with it to see how it works best for you.

- Helps delay visible signs of aging with broad spectrum UVA/UVB protection and more.
- Features prickly pear extract to help strengthen skin's moisture barrier.
- Helps skin appear more vibrant throughout the day as it improves the look of uneven tone.

Step 4

Miracle Set: Nighttime Recovery

Every NIGHT, after cleansing your face, you'll use our Timewise Nighttime Recovery. Because I want you to get to feel both the day and night, we're going to use this on your neck right now.

- While you are sleeping this product re-energize your skin.
- Helps reduce the look of fine lines and wrinkles with encapsulated resveratrol.

TW Repair: Day & Night Treatments

Go ahead and put the day treatment on your face and the night treatment on your neck so you can feel both of them. These are your anti-aging products AND moisturizer combined.

- The day treatment does have an SPF 30 full-spectrum sunscreen in it as well as the patented Timewise Volu-firm complex that fights aging and hydrates the skin.
- The night treatment has Retinol in it. Have you heard of Retinol? It's like the "super man" of anti-aging ingredients that sluffs off dull, life-less skin cells and makes the skin look younger and more vibrant.

Mary Kay Skin Care: Moisturizer

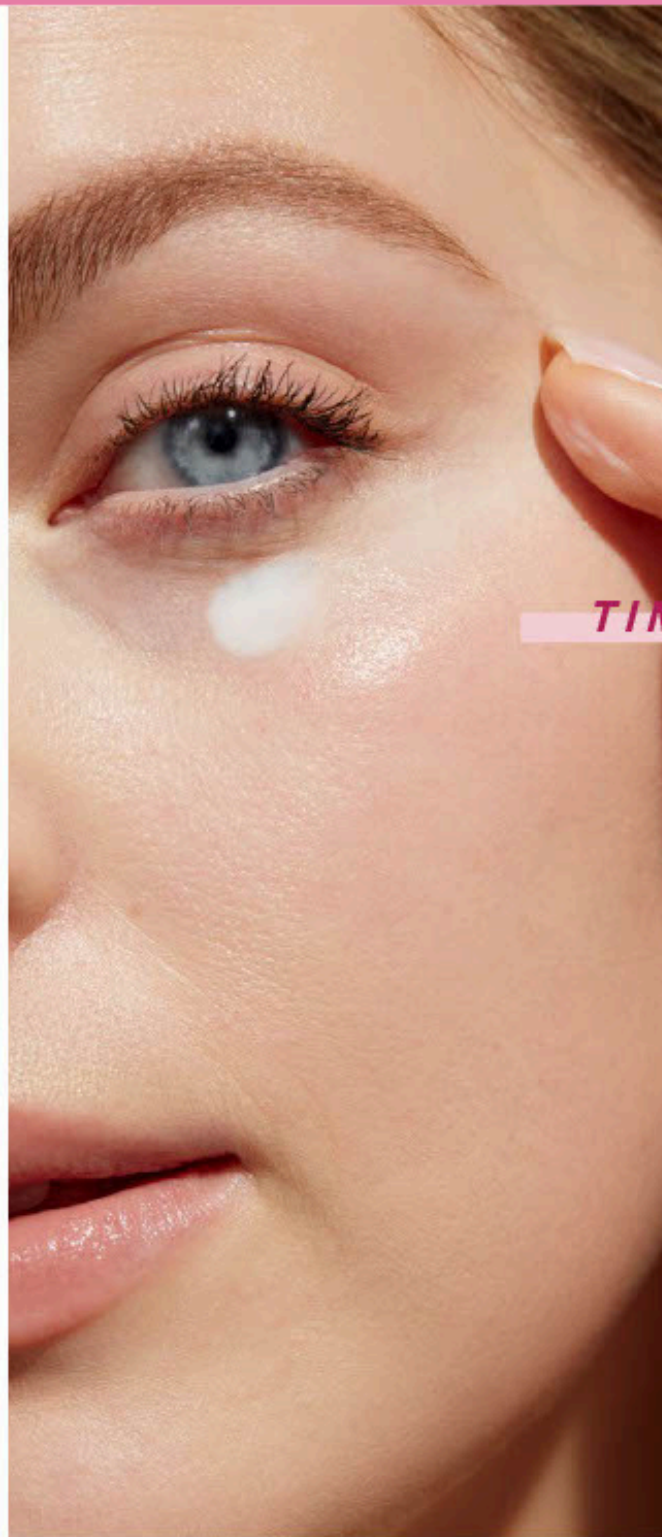

You can smooth your moisturizer all over your face.

- Provide skin with necessary daily hydration with a nourishing, nongreasy cream moisturizer or a fast-absorbing, oil-mattifying gel-cream moisturizer

Clear Proof: Oil-Free Moisturizer

If you have oily, acne-prone skin, you will LOVE this moisturizer.

- It almost feels like a gel, very light-weight and it helps to fight acne throughout the day.

Timewise 3D Eye Cream

The next product I want to show you is our TimeWise 3D Eye Cream. Have you ever noticed how the 1st place women will show signs of premature aging is around the eyes?

For a TICKET – who can name a couple reasons we age around our eyes first?

- Skin is thinner (only $\frac{1}{4}$ as thick as anywhere else on the face)
- We touch our eyes a lot – show emotion there
- Don't have as many fat deposits under our eyes as...let's say our cheeks
- Fewer oil glands directly under your eyes (why teens have no acne there)
- We retain moisture under the eyes (puffy)

For a TICKET, what FINGER should you use whenever touching your eye area? Your ring finger!

Anyone know WHY? It's your weakest finger! Apply TimeWise 3D Eye Cream with ring finger under eye & in the area where you start to see crow's feet by the corner of the eyes.

This ONE product has multiple benefits:

- Brightens dark circles
- Fights puffiness and wrinkles in the eye area
- It also moisturizes for 12 hours.

TW Repair: Eye Renewal Cream

One of the coolest things about this eye cream is the applicator. You can see that it is metal - made of "Z- MAC" (stand for zinc, magnesium, aluminum & copper). You don't need to touch the product with your fingers, just apply right from the applicator, roll over and massage the product into the eye area with rounded side. This is made of the same material boxers put on their faces during a fight to take swelling out! This eye cream helps with darkness, puffiness and crepe-i-ness in the eye area, especially on the lids. Go ahead and stipple this product with your ring finger under your eye and out in the area where we start to see crow's feet. Use it on your lids at night only, not before make up.

- Try different eye cream at your 2nd appt

FEEL THE LOVE
of MARY KAY.

When you choose to wash your face with Mary Kay I want you to know what kind of company you are supporting.

- Mary Kay Ash was a real woman who started this company in 1963 because she wanted women to have the opportunity to be paid what they're worth without sacrificing their priorities.
- Mary Kay was voted the greatest female entrepreneur in America History* and the company is a private family-owned, 100% debt free company that does 4 billion in global sales a year.
- You can be proud of our environmentally friendly company. For example, when we updated our compacts, we planted a tree for every compact that was turned in to Mary Kay to be recycled. Every bottle/box/container is 100% recyclable.
- Because of Mary Kay, there are women and families safe tonight in shelters all across the United States because of the \$3 million/year we do donate to domestic violence shelters each year.
- We also donated over \$1.2 million to research cancers that affect women.
- PLUS our newest partnership is called Love is Respect. This is a 24/7 text to help hotline where a young girl can text “loveis” to 22522 and there is someone on the other end of that hotline to explain what a healthy relationship looks like.

Do you know women are responsible for 80% purchases in US?

Do we really know what we're supporting when we buy what we buy?

5 Fast Facts about Mary Kay

1. You know personally who you are supporting
 - You are supporting your local community (my business pays local taxes)
 - American brands (Only 2% cosmetics made in US)
2. We follow European Union standards which bans 1300 ingredients + FDA bans 11
3. Who is the biggest animal lover here?
 - Cruelty Free – no animal testing
 - Passionate about changing other countries (China)

For a ticket, what was your favorite part about what you learned about Mary Kay?

RECOGNITION AND *Rewards*♥

Recognition & Rewards

Mary Kay believes in rewarding women with prizes that most women would never buy for themselves and creating **EXPERIENCES & MEMORIES**. I have found so many women graduate from college & then get so consumed with their careers/families that they wake up one day and realize they've kind of lost themselves. Mary Kay is such a fun way to CONNECT with like-minded positive women and to be recognized for a job well done.

Any guesses what my favorite prize is that I've earned from Mary Kay so far?

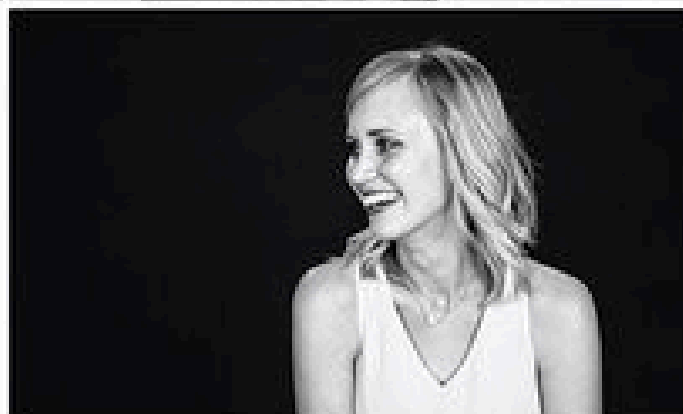

SELF CONFIDENCE &

Personal Growth

“I CAN
MAKE A
DIFFERENCE.
NOT JUST
AN
INCOME.”

“I CAN
BE ME.”

Self Confidence and Personal Growth

Mary Kay is a safe place for women to grow. In my opinion, it is just about the best personal growth program out there. We believe that confident women raise confident children, so to give women the opportunity to grow their confidence has a ripple effect. We believe in **COMMUNITY** & we have a **COLLABORATIVE CULTURE** not a **COMPETITIVE ONE**. You're surrounded by a support system of women who really want to see you succeed.

There are three levels of cars you can earn –

- the Chevy Trax,
- then the Chevy Equinox,
- and then of course, the famous pink Cadillac.

And...Mary Kay has the 2nd largest fleet of cars on the road today next to the United States government!

What if I just deleted your car payment or your car insurance payment?

Would that make a difference?

 - And some people work Mary Kay as a career and their businesses to pay all of their bills.
- My national sales director highest check for one month was over \$20,000 for just one month. I say that not to impress you but to impress upon you what is possible in Mary Kay.

This product is like a magnet for your foundation. We like to call it the "pot hole filler" because it fills in imperfections and makes the skin look more flawless and smooth.

You only need a tiny bit of primer. A little bit goes a long way.

Take it with your fingers and massage it into your face in a circular motion.

CC Cream

CC stands for "conceal and correct." This is like a fancy tinted moisturizer. It's lightweight but will even out your complexion and give your skin a beautiful finish. It also has an SPF 15 sunscreen in it.

Massage it into your skin like you would do a moisturizer.
